The Manager's Report

Welcome to the 2017 Shorecliffs Beach Club season. My name is Jay Elston and I am returning as your Shorecliffs Beach Club Manager.

This year's winter season has taken a toll on the beach and club property. We have lost quite a bit of sand and have had to pull the lifeguard tower back 20 feet to keep it out of the surf line. Thank you to those of you that came out at the last minute to help with the lifeguard tower and to those of you who helped sandbag the footing of the front patio. There is quite a bit of debris on the beach that still needs to be cleaned up. The Saturday paddle tennis group has already removed most of the large items off the beach, but there is still work to be done. In celebration of Earth Day, we are planning a beach clean up day on Saturday, April 8th at 9:00 am. We would like this to be a family event wherein we can show our Shorecliffs children our love and respect for the beach environment. Tools, gloves and trash bags will be provided, but extra tools (rakes, pick-up devices, etc.) are always welcome.

Over the next two months, staff selection, preparation for Easter break and the summer season will be in process. If you know of anyone looking for part-time work, please have him or her contact me at (949) 324-7473. Candidates must 15 years or older and have a work permit issued by the high school.

The clubhouse will be open for Spring Break from April 1st through 9th from 11:00 a.m. to 6:00 p.m. Staff will be available to hand out your 2017 wristbands. Please bring the postcard that was mailed to you earlier to obtain your wristbands.

For periodic updates during the year, I will be posting on the Shorecliffs Beach Club Facebook page.

The President's Message

To all Beach Club Members:

I want to introduce myself as your new Board President. My name is Stephan Rose and I live on Santo Tomas. My wife, Charlene, and I have owned our home since 2001 and moved to San Clemente full time in 2008. We have greatly enjoyed the Beach Club and the events held there over the years and have found many new friends. I want to thank Tom Marier for his twelve consecutive years as serving as the Board President. His devotion and commitment is greatly appreciated. I would like to also introduce two other new Board Members, well known in the community, Dorothy Melia and Danielle Burmeister. Danny Werner was also nominated to be back on the board to fill a vacancy.

Our theme this year is to continue to make the Beach Club a great place to visit, have fun and be with family and friends. The storms have had its toll on the sand and picnic tables. The beach environment continues to contribute to deterioration on everything metal. We have committees working on getting bids for repairs with the idea of getting everything ready for summer. Also committees are working for your continued enjoyment on spring and summer activities for the family to enjoy and participate in.
