First of the Season: May 24th 4 – 10 p.m.

Bring your food, family and friends.

**Join your neighbors for a
spectacular sunset and dinner
on the beach!**

Manager's Message

Welcome to the 2019 Shorecliffs Beach Club season. My name is Arika Ferguson and I will be returning as your Shorecliffs Beach Club Manager. I would like to welcome aboard our new assistant manager Brittany Miller to our Shorecliffs team. Please make her feel as welcomed as I have been.

We look forward to enjoying our first full season with Mr. Cliff Shores and our new playground equipment. The basketball courts & paddle tennis courts were resurfaced recently as well for all to enjoy.

Thank you to those who helped with the Beach Clean Up on March 23. We had a great turn out and had some fun even though it was a tough job. We were able to remove a record amount of driftwood (so I'm told) and spruce up the beach front area. The club is looking good and we are ready for spring break.

The clubhouse will be open for Spring Break from March 30 through April 7th from 11:00 a.m. to 6:00 p.m. Staff will be available to hand out your 2019 wristbands. Please bring the postcard that was mailed to you to obtain your wristbands.

Beach Club staff is ready for Spring break and the summer season, but we are still accepting applications for on-call staff. If you know of anyone looking for part-time work, please have them contact me at (989) 615-9670. They must be at least 15 years old and have a work permit issued by the high school. We are also seeking volunteers for this season's special events (Easter, Memorial Day, 4th of July etc.). If you are interested in assisting and interacting with your fellow members, please contact myself or one of our board members.

Be sure to check for periodic updates throughout the year on the Shorecliffs Beach Club website and Facebook page.

I look forward to a great season.

Respectfully,

Arika Ferguson

Beach Clean-Up 2019

- WRIST BANDS REQUIRED

President's Message

I'd like to introduce myself, I'm Kumi Elston and I will be the Board President for 2019. My husband Jay and I have lived in Shorecliffs for over 20 years. We love the beach club and want to preserve this precious asset for future generations.

At the annual meeting in January four board members were elected to serve a two year term. I'd like to welcome Hal Kolp, Dan Flynn, Dan Werner and Diane Wenzel to the board. They have joined returning board members Kurt Luebke, Steve Elmer, Chris Wade and Frank Wilbur. The board meets on the second Tuesday of each month (except December) at 6:00 p.m. at the clubhouse and we welcome your participation, comments and ideas. The monthly meeting agendas are posted at the clubhouse and the beach club's website four days prior to the meeting.

The board's focus for this year will be preservation of the beach and access to the beach. At the March meeting, the board voted unanimously to place a sand bag structure from the south side of the patio to the fence to help retain the sand on our property. We are also working with the County to get them to plow the sand berm that builds up at the end of the outlet. This will allow the water to flow into the ocean and not back up and flood the walkway. They have obtained Coastal Commission approval for a permit to plow, but have been stopped so far by other regulatory agencies. We may be asking for your help in the future for community support to push this permit through the process.

Last year, the Board introduced a new website with the ability of send out e-mail to all Shorecliffs residents that sign up on the website. We will be sending out this newsletter, but all future notifications of events will be by posts on the website, Facebook or email. If you haven't already, please go to Shorecliffsbeachclub.com and sign up.
